

A WORLD OF OPPORTUNITIES FOR YOUNG MEN

No. 1 20 January 2021

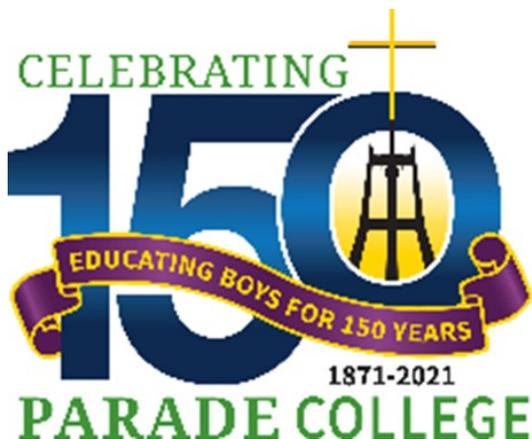

From the Principal

Commencement 2021

As we prepare for the return to classes, I hope all of our Parade families have enjoyed a pleasant and safe summer holiday. We extend a very warm welcome to all students and parents who are new to the Parade community this year. In 2021 there will be an Orientation Day for Years 7, 8, 12 and Year 10 ERPP (Preston) students on Monday 1 February; classes resume for Year 7, 11 and 12 students at 8.30am on Tuesday 2 February; and for Year 8, 9 and 10 students at 8.30am on Wednesday 3 February. Details are later in this *Newsletter*.

2021 is a very significant year for the College. It is our Sesquicentenary or our 150th Anniversary since our Foundation in 1871. There will be significant opportunities to celebrate and be grateful for all the achievements and milestones. Details of the events will appear in the next College Newsletter.

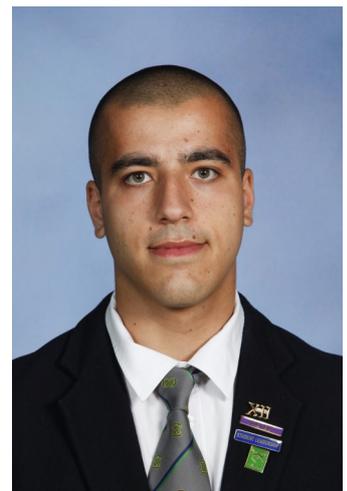

Academic Achievements 2020

Congratulations to the Class of 2020 and their dedicated teachers for achieving excellent VCE results.

Our Year 12 students acquitted themselves very well despite the challenges that 2020 presented. Whether the next step on their journey be to university, TAFE, apprenticeships or to work, they will be better for facing the challenges of the year and overcoming them successfully.

We thank and commend the Class of 2020 on the contribution they have made to Parade College over the past six years in all endeavours that they have pursued. Their leadership, service to others and their contribution to the cocurricular life of the College have added to the richness of our community.

Congratulations to our College Dux Dylan Tran-Ngo with an ATAR of 98.75 and to Jack Nicolo, our Outstanding Senior VCAL Student for 2020.

University of Melbourne Kwong Lee Dow Scholarships

Since 2007, the University of Melbourne has offered the Kwong Lee Dow Young Scholars Program, an academic enrichment program designed to support high-achieving secondary students. The program was open to Year 11 students in 2021, who had to complete a rigorous application process that the University of Melbourne critiqued then selected the successful applicants from around the state.

This year the University of Melbourne has accepted into the program two fine applicants from Parade College being Mihir Haque (B04) and Kevin Shah (T08). The boys were selected from several fine applications from Parade students and all applicants are to be commended on the standard of their application.

Both Mihir and Kevin have shown application and commitment to all their studies in their time at Parade, showing excellence across their entire range of subjects at Year 10 level. They now join the esteemed company of Parade's recent recipients including Pinidu Chandrasekera,

Above L-R: Mihir Haque and Kevin Shah

Carl Perera, William Dynes and Callum Holmes. We wish both boys well for the year ahead.

College Photos

Photographs of all students will be taken on Monday 8 February and information on how to place your order can be found on page 15 of this *Newsletter*.

Buses

Anthony Glatzel, Logistics Coordinator, has allocated students to the various College bus services. Minor alterations have been made to some bus routes and all involved in this have been advised.

All students using services to or from the College direct must have a current College bus pass and/or MYKI card.

Traffic and Parking

Traffic will be very heavy on the College property on the first few days of school both morning and afternoon. If you wish to drop off your son, please come early.

Parents who wish to park should do so only in designated car parks, well off the roadways, and cooperate with instructions from College parking officials.

Drivers need to be attentive to students crossing the roadway and to give way at designated crossings.

Mater Amabilis – Mother Most Loving

Mater Amabilis
(Mother Most Loving)
circa 1850
artist unknown

One of the stories dear to the Founder and first Principal of the College, Br Ambrose Treacy, relates to a portrait from his birth town of Thurles in Ireland. This depiction of Mary originally hung in the parlour of the Christian Brothers School monastery in Thurles, County Tipperary, Ireland.

In the early 1850s Patrick Ambrose Treacy was a student at the Thurles school, and on visiting the monastery to speak with Br Francis Larkin, saw this picture and was moved by its beauty. Ambrose's resolution to become a Christian Brother was motivated by his strong devotion to Our Lady.

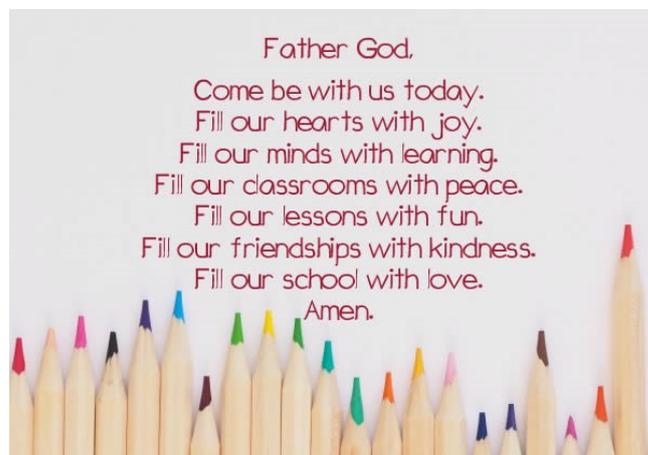

Many years later, during his first visit home to Ireland from Australia, the Director of the Brothers in Thurles gave him the portrait for Ambrose to take back to Australia as a treasured memento. For many years this painting held an honoured place in Victoria Parade, Melbourne – at that time, the motherhouse of the Christian Brothers in Australia.

After the Brothers moved from Victoria Parade, the painting was lost in the upheavals of shifting.

When Parade College assumed responsibility for the Brothers' residence in the 1990s, it was found rolled up in a cylindrical container in a cupboard in one of the rooms. It now hangs proudly in the College's Heritage Room.

We dedicate our 150th Year under the patronage of Mary – *Mother Most Loving*.

VCE Parent Information Evening 2021

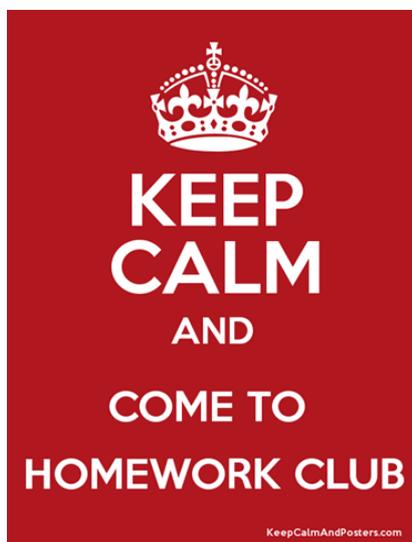

This year the VCE parent information evening will be held on Tuesday 23 February. This forum will provide an opportunity to be fully informed about your son's requirements and expectations as they commence their studies in 2021. The evening is applicable to all parents with a son in Units 1 to 4 of any VCE subject.

It is hoped that this will be held in the Rivergum Theatre at a time to be determined, however may be run as a virtual event in line with COVID restrictions at the time. In whatever form it runs, you can confidently put this date in your 2021 calendar.

More information will be sent home regarding the evening in an upcoming letter addressed to parents.

Mr Paul Fahey

Dean of Learning - Years 10 to 12

**Commencing from 9 February
Tuesdays and Wednesdays
at the Resource Centres
3.15pm to 4.30pm**

Year 9 ExCEL Program

Year 9 students will be involved in an ExCEL Orientation Day which will occur on either of the first two Wednesdays as part of your son's first Extended Learning Project (ELP) subject.

Families should be aware that ExCEL classes may be timetabled at either the Bundoora or Preston Campus and that changes to ExCEL subjects are not able to be made throughout the year.

Families will be able to determine which campus their son's ExCEL subject is based at from the room number on their sons SIMON timetable. Rooms commencing with 'R' or 'K' are located at the Preston Campus (eg; R14, K17) while all other room codes are located at the Bundoora Campus.

For all ExCEL enquiries please contact Dr Janette Berglez, Curriculum Leader.

Semester One Timetables

Student timetables are built around maximising student's elective choices. At the end of the semester when students change their electives, many boys will also have a change of teacher for some of their year-long subjects in Semester 2. As students' programs become more elective-based, they understand that these changes become more necessary to accommodate their elective selections.

As such, except for compelling cases, students in Years 7 to 10 are not able to make changes to their elective subjects. Finding a subject no longer enjoyable or discovering it to be more challenging than expected are not considered compelling reasons for making changes to elective subjects. In such situations, it is preferable that students and their parents work with their son's teacher to support them through their learning.

Mr Maurice Petruccelli

Dean of Learning - Years 7 to 9

Parent Portal – Medical Information

It is important that the College has the latest medical information for your son. Please take the time to review your son's medical information and update when required. All students will have an alert via PAM to validate medical information for 2021 with any current updates, enquiries to pamsupport@parade.vic.edu.au

Anaphylaxis - Epipens and Excursions

Parents of students that are at risk of Anaphylaxis should be aware that, in response to Ministerial Order 706, it is College policy and a requirement of legislation that students who attend the College must have supplied the College with a valid Epipen and a current Anaphylaxis Action Plan for their personal use.

In order for a student to attend an excursion or event off the premises they must carry their individual College Epipen and their spare Epipen from home with them in order to attend that event. This is to ensure that sufficient medications are available should the student require them.

Parents/carers are required to update their son's expired Epipen and Anaphylaxis Action Plan as soon as possible. Epipens and Action Plans need to be dropped at College Reception at both campuses.

If parents have specific enquiries about Epipens please contact Ms Ireland in First Aid at our Bundoora Campus.

Asthma

It is advised for students who have asthma to carry their own reliever medication such as Ventolin in their pockets, however the College is able to supply Ventolin to a student who does not have their asthma medication and spacer on hand.

The administration of Ventolin is done after consulting your son's Asthma Action Plan from PAM. If your son does not have an asthma action plan and the situation is not deemed an emergency, the College will ring the parent/carer to have permission granted to administer the medication.

In the event of an asthma medical emergency and you have not supplied a current action plan, the First Aid Officer would follow emergency asthma care guidelines and an ambulance called.

Asthma Action Plans

It is important that the College has the latest medical information for your son. Unfortunately, there are a number of parents and carers who have not supplied a current Asthma Action Plan to their son's medical profile.

Parents/carers of students with Asthma are required to check their son's medical profile and ensure that they have supplied a current Asthma Action Plan signed by a Doctor to the College and have uploaded this plan to their son's medical profile on PAM.

You can also email the Asthma Action Plan as an attachment to

cathie.ireland@parade.vic.edu.au

Action and management plans for all significant health issues allow our First Aid Officers the ability to act quickly with the appropriate guidance to assist your son.

Students with other significant health issues are requested that their management plans for their condition are dropped off at Reception, which will be forwarded to the First Aid Officer.

From the Assistant Principal - Student Wellbeing

Welcome to Parade College for 2021

A very warm welcome back to all of your students and families. We especially would like to welcome our new students, families and staff to the Parade family. We know you will love being a part of our community and we look forward to getting to know each and every one of you over the next few months.

Please don't hesitate to ask for help or support whenever you need - Tutor Teachers, House Leaders, Student Wellbeing Coordinators, Counsellors, Classroom Teachers - all of our staff are on hand to assist you with a smooth transition to the College.

There are so many things to discover and try at Parade and we hope you find your interests and passions and follow them during your journey with us. This will help to make your secondary school experience your own. The best advice we can give our newest members is to take advantage of all opportunities you are offered as this will help with transition, making new friends and connecting you to the College on a number of different levels.

This will be my first year in the role of Assistant Principal – Student Wellbeing. I am incredibly excited to be joining the team here at Parade College but also to be getting to know all families and students across the College. I am looking forward to journeying with all of the students and families and especially our new Year 7s as we begin our time at the College together.

Year 7 2021 Families

It was wonderful to see our newest Paradians at the Orientation Sessions for the 2021 Year 7s in December last year. Tutor Teachers and House Leaders had a great time getting to know the young men and enjoyed their company. We hope our Year 7s first day on Monday 1 February is equally as exciting and reassuring for them.

We know Transition to a new school can be a time of great trepidation for students and their families so here are some important upcoming events and dates for the beginning of the 2021 year.

Please remember we are all here to help and your sons Tutor Teacher and House Leader are a wealth of information should you have any concerns or questions.

Year 7 First Day 2021

Monday 1 February - 10.00am to 2.00pm

The Year 7s will commence at their home campuses on Monday 1 February at 10.00am - Bundoora students will meet in Moore Hall and Preston students will meet in Penola Theatre.

- On the first day all Year 7's will need to bring their College Student Planner, laptop, and padlock for their locker.
- Students will need to wear their Summer College Uniform.
- School shoes are required to be made of hard, black, polishable leather – these provide greater protection than 'sports' style shoes.
- On Monday 1 February students will need to bring their lunch and snacks or alternatively the Canteen will be open for students to purchase lunch.
- Remember to make sure your son knows where to find you if you are picking him up at the end of his first day at 2.00pm.
- For the Photo Day on *Monday 8 February* the College tie and blazer is required, however on other days in Term 1 and 4 students can choose to wear his blazer to and from school as it is not compulsory.

Year 7 2021 Liturgy - Tuesday 2 February

At 2.30pm on Tuesday 2 February the Year 7 and Year 12 students at both campuses will celebrate a Liturgy together to welcome our newest Paradians and to begin the process of handing on the traditions of our College.

Year 7 parents are very welcome to join the boys and staff for this in Moore Hall at Bundoora or in the MacKillop Centre at Preston. The Liturgy will conclude around 3.00pm and the students will be free to go home with parents then.

Year 7 2021 Camp Information Sessions and Lower Tutor Group Parent-Tutor-Student Appointments – Thursday 18 February

On Thursday 18 February, on both campuses, parents will be able to meet with their son's Tutor Teacher and attend an information session with their son's House Leader/Student Wellbeing Coordinator which will cover the details of the Year 7 Camp in March.

These are both held on Thursday 18 February. There will also be sessions offered by our Counsellors which will provide some hints and ideas for helping parents manage families and stress in post-COVID times.

A letter containing details about how to book the appointment with the Tutor Teacher for your Year 7 son (and Year 8 and or 9 son) and the times of the Year 7 Camp Information Sessions will be emailed home in the coming weeks – please check your email for this letter.

If you cannot locate it, please contact Mrs Margaret Grech (PA to the Assistant Principal - Student Wellbeing) on 9468 3398, and she will be able to help you.

And welcome back to our continuing families and students for 2021 . . .

At Parade we value being on time and prepared, as it is respectful of others and allows the things that we need to do to get done, so that we can move on to the things we enjoy.

Uniform

At Parade we value the tradition of wearing the College uniform well to honour all those men who have worn the purple, green and blue with pride and respect over the last 150 years

- Please check that your son has the correct College **Summer shirt** ready to go for Day 1. Winter shirts with or without tie are not permitted. College Summer shirts will only be worn for Terms 1 and 4.
- If your son chooses to wear a singlet under his shirt, please make sure that it is plain white – no logos, prints or colours.
- Grey Shorts or trousers can be worn in Term 1 – dress shorts only – *no elastic or drawstring waists*.
- Jumpers and blazers go together to and from school! If your son wishes to wear his jumper to and from school, he must wear his blazer as well.
- Grey marle walk socks with black, hard, polishable leather shoes – no canvas shoes, or black leather 'sports-style' shoes. No black socks.
- Leave all *jewellery* at home – no earrings, pierced jewellery (including clear plastic studs), necklaces, rings, bracelets, friendship bands, sports bands, or other bands to be worn. If it is precious or important in any way to your son, it is safer at home, away from possible accidental damage or loss.
- Hair should be neat, clean and in a business-like style, eg; no dreadlocks, braids, mohawks, 'Dusty-cuts', etc.
- If your son is shaving, please make sure that he is clean-shaven for school each and every day.

Please Note

All students in Years 7 to 12 at both campuses must wear College uniform to school on Monday 8 February for College photos AND bring their blazers and ties with them.

VCAL and VCE students should wear the grey Senior Tie for these photos which can be purchased from Academy Uniforms. There is a minimal number of ties available to purchase from Reception at both Campuses.

PE Uniform Changes From 2021

Students can choose whether to wear their tracksuits to school with their polo shirts and shorts on their designated PE Uniform day in each term. As we phase in the new tracksuits in 2021, both tracksuits styles will be acceptable PE wear.

If your son does not have a full PE Uniform to wear to school on his designated PE Uniform Day, he must wear College Uniform to school and bring whatever items of PE Uniform he has with him in his bag to school and change for class. He should change back into College Uniform after his PE lesson in time for the rest of his classes and travelling home in the afternoon.

PE Uniform comprises the polo short, Parade shorts, white socks and runners. If any one of these items is missing, or unavailable on his designated PE Uniform Day - even if it is only white socks - then your son must wear his College Uniform that day. Your son can choose to wear his full tracksuit or track jacket or track pants with these basic items.

For more details in relation to uniform and other matters please see the letter emailed home to all families in the week beginning 18 January 2021

College Bus Network

At Parade we value respect for, and cooperation with, those whose job it is to get us safely to and from school each day

- At the time of writing this, COVID regulations still require students to wear masks on public transport in 2021. Students must have their face masks on as they enter the bus until they alight at school, and masks should be in place from school until they get off the bus on their way home.
- Students are not allowed to eat or drink on any of the buses to and from school - this is to assist the bus drivers to get to their next job on time, with a clean vehicle, or to help them complete their shifts on time at the end of the day, as well as ensuring a clean environment for all bus users;
- All young men are required to stay in their seats to and from school and wear the seat belts where these are provided as part of the students' responsibility for ensuring a safe trip for other passengers and the bus driver.
- Throwing any kind of material inside or outside the bus is a serious offence and will be treated as such. It is particularly distracting to bus drivers on very busy roads as well as disrespectful to the driver and fellow students.
- Noise levels should be kept to a reasonable level to allow bus drivers to concentrate on the task of getting students safely to their destinations.

- A MYKI card with appropriate funds is required for those students travelling on buses where a MYKI fare is required.
- Finally, cooperation with any directions given by bus drivers in the interests of passenger safety is always required from Parade students.

Public Transport

We expect all students to behave with courtesy and respect towards drivers and other passengers when using any form of public transport to and from school, and on excursions. We also expect students to stand and offer their seats to members of the public when using any form of public transport.

At the time of writing this, COVID regulations still require students to wear masks on public transport in 2021. Students must have their face masks on as they enter the bus, train, tram until they alight at school, and masks should be in place from school until they get off the bus, train, tram on their way home.

ONBOARD SAFETY

How to be a good passenger

- Be respectful to bus drivers and don't distract them while they are driving - they have an important job to drive the bus safely.
- If you see something wrong, say something to the driver or call the police.
- Ensure people with special needs can access the priority area.
- When the bus is crowded please move towards the rear.
- Offer your seat to someone that needs it more than you do.
- If there's a seatbelt, wear it - it's the law.
- Safely store your bags to reduce trip hazards.

BUS SAFETY - A SHARED RESPONSIBILITY.

Plenty Road and Bell Street

For students' safety, we require all students who need to cross Plenty Road or Bell Street, for any reason, to do so at *the lights* on the *marked pedestrian crossings*. The traffic lights at the entrance to the Bundoora Campus do not mark a pedestrian crossing and students should not attempt to cross Plenty Road at that point.

Bundoora Parents, please do not ask your son to meet you in the Hungry Jack's carpark, or drop him off there in the morning – the boys will always take the shortest way across the road, and there is no designated crossing from that point across Plenty Road

We would ask that parents emphasise this point with their sons so that students can remain safe as they cross two very busy roadways. Unfortunately, three years ago, one of our students was involved in an accident with a car, as he was not using a designated crossing. Fortunately, he recovered from that incident, but it is a reminder of how dangerous our roads can be.

We also expect students to obey traffic signals, teacher directions and instructions given by Parade staff and Council crossing supervisors.

House Leader Changes

There are some changes to responsibilities in the House Leaders Team for 2021. We welcome **Ms Sarah Harvey** back to the House Leader Team for Lynch House Lower at Bundoora. Ms Harvey has been working in the Careers Counselling area for the last few years however has been House Leader for Hughes Lower and Hughes Upper prior to taking on that role. She is very excited to be returning to House Leading and to Lynch House where she started as a Tutor Teacher when she first came to Parade. I am sure our community, but particularly Lynch families, will welcome her back.

Mrs Jenny Palmer will be moving to the Preston Campus from 2021 to take up the role of Student Wellbeing Coordinator for students in Years 11 and 12. She will join Mrs Elizabeth Bult and Mr Jacob Williams in her role as Student Wellbeing Co-Ordinator for our senior students at the Preston Campus and is looking forward to working with Mr John Nicholls in the VCAL Program.

Mr Craig Athaide will take on the role of Treacy House Upper House Leader from this year. Mrs Paola Fornito is moving into the newly created role of Dean of Child Safety at Parade in 2021 which promises to keep her very busy in the coming months, so Mr Athaide will lead the Upper Treacy boys. Families will be familiar with Mr Athaide who has held a number of House Leader roles at Parade, and he is looking forward to working with the Treacy boys in 2021. We extend grateful thanks to Paola for her care of the Treacy students over the last few years and wish her well in her new role at the College this year.

The Student Wellbeing Team of Tutor Teachers, House Leaders, Student Wellbeing Coordinators, Dean of Students, Counsellors, and myself look forward to welcoming your son to school for 2021 and helping him to have a successful year.

College Photographs - Monday 8 February

It is important to note that the image taken will be used primarily for school identification, applied to school ID, transport concession card, and published in the 2021 College year book. For this reason, each student must participate, regardless as to whether you wish to accept the purchase of photos.

This image service is not only used for many College functions, it is also your important keepsake. To avoid image mishaps, noting a re-shoot or photoshop will not be offered, we request that on photo day greater attention is placed towards your son's appearance and presentation.

Parents, please ensure your son is cleanly shaven, neatly dressed and in full College uniform which must include school blazer, summer shirt, tie, trousers or shorts (with correct socks) and polished black shoes

Students who fail to comply, present themselves unshaven or have hair longer than the regulation length, will be unable to have their photos taken until their presentation is rectified.

This year National Photography will provide a personalised photo envelope for each student and have also provided instructions on page 15 of this *Newsletter*.

This envelope will be distributed by the Tutor Group Teacher on the first day of school. It is requested that you familiarise yourself with all instructions, carefully reading the ordering process.

If you require your son(s) to have a family photo, simply follow the instructions for registering online. Kindly note family photographs will be taken upon conclusion of student individual photos, on the day.

All families are to register online and ensure their photo order envelope is returned with their child on photo day, Monday 8 February 2021 and not beforehand

For further inquiries on this ordering process it is recommended that you please contact National Photography direct on 9428-9420.

From the Director of Music

Welcome Back

Welcome back to 2021! The Music Department hopes all families had a relaxing summer break and are excited to commence what is undoubtedly going to be a busy year at Parade College as we celebrate our 150th Anniversary. Stay tuned for further information in future Newsletters regarding some exciting events to mark this special occasion.

Instrumental Music Enrolments

2021 instrumental music enrolments remain open and we encourage students from all year levels to sign up. The College offers tuition on a range of instruments including guitar, piano, woodwind and brass in both individual and small group lessons.

Learning an instrument is a fantastic way for students to immerse themselves into College life and make new friends along the way as part of their individual ensemble. Research has also shown it is a fantastic way to strengthen memory and literacy skills, and enhance overall mental health and wellbeing.

The enrolment form can be accessed at [this link](#) or via the College website following these steps: Education --> Music --> Instrumental Lesson Booking Form.

More in depth information regarding the Instrumental Music Program can be found in the Instrumental Music Handbook on the [College website](#). Any further questions or concerns can be directed to music@parade.vic.edu.au.

Music Scholarships

Following a successful launch in 2020, the Music Department is pleased to confirm that Music Tuition Scholarships will be once again offered in 2021 to enhance the development of eager music students.

Please visit the College website or follow [this link](#) for further information and to download the application form.

Applications will close on Friday 12 February 2021

Any further questions can be directed to music@parade.vic.edu.au.

2021 Musical Production

Given the current circumstances, we are unfortunately unable to stage a musical in our traditional form at the Rivergum Theatre in 2021. However, the Production Team has been hard at work to come up with a new format for our 2021 production....

'A Night at the Drive-In: Musical Rewind'

The production will feature hit songs from a number of well-known worldwide musicals which will be professionally filmed and edited and then screened at a one night only event at the Coburg Drive-In cinema on Friday 14 May.

The Audition Pack is available for parent and student access on SIMON and contains further information regarding the production process for next year.

Auditions from students in Years 8 to 12 are required to be submitted by Thursday 4 February

In order to allow our newest students to settle into College life, Year 7 2021 students will have until Friday 12 February to submit their virtual audition.

We encourage all families to save the date and join us for what will be a unique event for both Parade and Mercy College.

Any further questions regarding the production or the virtual audition process can be directed to music@parade.vic.edu.au.
